|         | R99-11-022 | Order Instituting Rulemaking into implementation of Public Utilities Code Section 390.  |

**Summary:** On May 16, 2006, R. Thomas Beach, a consultant to the California Cogeneration Council (CCC), met with Robert Lane, advisor to Cmmr. Bohn, and Belinda Gatti, advisor to Cmmr. Brown, in two separate meetings in San Francisco. Also present were Jerry R. Bloom and Joseph M. Karp of White

& Case, LLP, counsel for the CCC. An excerpt from Mr. Beach's opening testimony (attached to the notice) was sent to Robert Lane after the meeting. Bloom and Karp explained that the joint settlement proposed by Pacific Gas and Electric Company (PG&E) and Independent Energy Producers (IEP) is not a true settlement that aligns with the Commission's traditional understanding of settlements. Bloom and Karp explained that the arrangement between PG&E and IEP is, rather, a set of bilateral agreements that do not resolve any key issues of these proceedings. Bloom and Karp also explained that the bilateral agreements involving a few gas-fired Qualifying Facilities (QFs) for which PG&E and IEP seek approval are not generally applicable to other QFs, and thus should not be considered as a basis for a decision in this proceeding.
